

July, 2015

Hello from your new president, Candice Murphy (currently traveling in South Carolina). I'm looking forward to working with all our committees to bring you another year of wine socials, lunches/ brunches, beach parties, biking, kayaking, book clubbing, poker, men's breakfasts and so on. The great thing about the world today is how we can keep in touch by all of our communication devices but nothing is better than getting together to share an activity, a meal, or an experience. So I hope to meet more of you this year at one of our events and if you have any suggestions on what we can do to make the newcomers group better don't hesitate to call, text or email me.

Candice Murphy

Candice Murphy, President

Retired from accounting and consulting, she offers a friendly and professional approach to all she does. She has been active in the community, in book clubs, kayaking, knitting, golfing, and gardening. She loves to cook the fresh vegetables and herbs she cultivates from her back yard. She is an active volunteer at Falmouth Hospital, and is taking on a part-time business manager position at the Bridgeview Montessori School near the Sagamore Bridge. She enjoys traveling with Ron and is looking forward to river travel in Europe in the coming years. She also has ideas for growing and adding activities to the Newcomers group.
